HOST A COMMUNITY FUNDRAISER OR VOLUNTEER AT ONE

Community Fundraiser is an event, promotion or activity that is planned, organized and executed by an individual or group other than RMHC. We count on members of the community to host fundraisers throughout the year to supplement funds raised directly by RMHC. Community fundraisers such as a bake sale or “Jeans Day” can be simple to plan or more involved such as a benefit concert or corporate promotion. Regardless, planning a community fundraiser is a FUN way to involve friends, family members, co-workers, clients, classmates—whomever—in making a difference in the lives of children and families.

- Your fundraiser may be open to the public or among employees, friends, or members.
- You may also sign-up to be included on mailing list for volunteer opportunities at a community fundraiser. Contact Leslie Tan at ltan@rmhcphoenix.com to receive e-mail updates.

If you wish to support RMHC and an existing community fundraiser, visit rmhcphoenix.com for a listing of current events!

HOST A WISH LIST DRIVE

RMHC is like any other household with needs for cleaning supplies, food items, toys and much more! Start a Wish List Drive and collect items for the House to help offset our costs.

- Idea! Select one item to collect each month of the year for the House
- Visit <http://rmhcphoenix.com/how-you-can-help/wishlist> for our Wish List.
- During the Holiday Season, host a Toy Drive for RMHC Families!

ONGOING VOLUNTEER OPPORTUNITIES

Organize a dinner group or activities for families.

Providing a meal for the families who stay at the Ronald McDonald House takes away the worry and hassle of food preparation so that the families can give all their energy and attention to their hospitalized child. Our families always say that the donation of meals is a major help.

- Visit <http://www.rmhcphoenix.com/how-you-can-help/cookndinner> to view our online dinner calendar for available dates.
- Once you have a few date options, contact our volunteer programs coordinator to schedule your dinner group.

Community Service

We count on our community to help us keep our Houses comfortable and clean. We invite your service group to help us maintain our House by scheduling your group Monday through Sunday in the mornings or afternoons. Activities might involve sanitizing the toys in the playroom, organizing the kitchen, deep cleaning rooms and ground maintenance.

For more information about volunteer opportunities, contact Helain Day, Volunteer Programs Coordinator, at hday@rmhcphoenix.com or 602-798-5093.
