KEEPING FAMILIES CLOSE

HOW DO YOUR SPONSORSHIP DOLLARS HELP FAMILIES?

The mission of Ronald McDonald House Charities® of Central and Northern Arizona (RMHCCNAZ) is to provide essential services that remove barriers, strengthen families, and promote healing when children are in need of medical care. As a welcoming “home-away-from-home,” RMHCCNAZ offers a comforting and supportive environment for families who travel to the Phoenix area to access the critical healthcare their children require.

Your support of our annual fundraising events plays a crucial role in helping RMHCCNAZ keep families together and close to the medical resources their children need across our three Valley locations. Because of generous supporters like you, no family is ever asked to pay for their stay, easing the burden on parents already facing immense challenges.

By partnering with us as a sponsor, you make a direct impact on the lives of these families, offering them the strength and peace of mind to focus on what matters most—the health and well-being of their children. Thank you for being a part of this important mission.
