POPTAB CHALLENGE

Ronald McDonald House Charities® of Central and Northern Arizona

SCHOOL REGISTRATION PACKET

Ronald McDonald House Charities® of Central and Northern Arizona (RMHCCNAZ) is a “home-away-from-home” for families who must travel to the Valley for medical care for their children. Every day, the House provides a place for families to stay together and close to the medical resources they need in times when they need each other most.

The Pop Tab Challenge rallies students and schools from across the state together in support of the families RMHCCNAZ serves. Collecting pop tabs is a wonderful way to show students how small actions can have a significant impact in their community! JOIN THE CHALLENGE TODAY!

2022-2023 RULES

(and other important stuff!)

- Each school must submit an official registration form to participate in the 2022-23 Pop Tab Challenge. **Registration form must be received before tabs will be accepted as part of school's total.**
- **The contest will run through May 1, 2023.**
- Tabs may be dropped off at the front office of our Roanoke House in Phoenix from 9am to 7pm, seven days a week. **Please contact us to arrange drop offs at the other two Houses.*

Our Houses

Roanoke: 501 East Roanoke Avenue, Phoenix

Cambridge: 1980 East Cambridge Avenue, Phoenix

Dobson: 2225 West Southern Avenue, Mesa

2022-2023 PTC Timeline

- ♥ AUGUST 8, 2022: Forms are posted online and contest starts! Tabs will now be accepted as part of school's total.*
- ♥ **MAY 1, 2023: Official end of 2022-2023 Pop Tab Challenge - tabs will not be added to total after this date.**
- ♥ MAY 8, 2023: Winners announced on or before this date.

*REMEMBER — Registration must be turned in before tabs will be accepted as part of school's total.

- **Don't live in the Phoenix area?** No problem! Tabs may also be dropped off directly at your local scrap metal recycler. Then send the proceeds of your donation directly to the House! Regardless of the recycler you choose, please be sure and send us a copy of your receipt and a drop-off form. These can be mailed to the RMHCCNAZ offices with your school name and contact information. (Don't forget to specify that your donation is for the Ronald McDonald House Charities of Central and Northern Arizona Pop Tab Challenge.)
- Each school is responsible for transporting their pop tabs to Ronald McDonald House® and filling out a Pop Tab Donation Form upon drop-off. Copies of the donation form are included in the back of this packet for your convenience. This must be done each time tabs are dropped off in order to have your tabs counted.
- School representatives are responsible for recording the correct weight of the tabs dropped off on the Pop Tab Donation Form at the RMHCCNAZ front desk. School representatives are also responsible for obtaining a receipt (if desired) for their tabs at this time.
- Winning schools will be announced in the below categories:
 - ⇒ The school that collects the most pop tabs by weight.
 - ⇒ The school that collects the most pop tabs per student.

For questions, or for more information, please contact the Development department at development@rmhccnaz.org or (602) 798-5096.

TIPS + TRICKS

Aluminum vs. Steel

While all can tabs may look the same, they do not all "act" the same! Most soda tabs are made out of aluminum, but sometimes other can tabs (such as cat food and soup) are made out of steel. When we turn our bins into the recycler, too many steel tabs mixed in with the aluminum can downgrade the entire bin, decreasing the amount of money we receive. Because of this, it is very important that your students know how to tell the difference.

As a rule of thumb...

If it sticks to a magnet, it is not aluminum.

Usually these "sticky" tabs are steel.

A good science lesson for us all!

Collection Containers

We encourage schools to get their students involved by creating their own collection containers! Coffee cans, shoe boxes, and even plastic containers work great. This also provides a great opportunity to reuse other household items.

While you can collect the tabs in whatever you want, we ask that you turn them in using containers that are easy to empty. This does NOT include milk jugs, liter bottles, water jugs, or any similar container. Trash bags and/or Ziploc bags are always a great option.

Promoting the Challenge

The Pop Tab Challenge not only helps students learn about supporting their community, it is also a great way to get the whole family involved (don't forget about aunts, uncles and grandparents)! Student take-home flyers and school posters announcing the Pop Tab Challenge are available to promote the challenge and will be sent to your school's representative upon registration.
