

SHOW STRIPES YOUR STRIPES

presented by

Red and white stripes represent unity and love of the families who rely on Ronald McDonald House® to help care for their sick or injured children.

Join us this September for our **SHOW YOUR STRIPES** campaign! By wearing your stripes proudly, you're helping raise awareness for Ronald McDonald House Charities® of Central and Northern Arizona (RMHCCNAZ) and supporting families who call the House their "home-away-from-home."

Here are three ways YOU can **SHOW YOUR STRIPES** this September:

1 Rock your best red and white stripes – socks, shirts, pants, you name it - and snap a photo to share on social media. Encourage friends and family to join in on the fun when posting why you support the House by asking them to show their stripes, too!

Be sure to tag @RMHCPhoenix and use #ShowYourStripesAZ to be a part of the movement!

2 Visit rmhccnaz.org/stripes for the ultimate toolkit to help celebrate Show Your Stripes all month long! There you will find fun and creative resources and activities like social media graphics, family craft projects, Zoom backgrounds and more!

3 Host a friend-raiser for RMHCCNAZ to support families throughout September by setting up your own donation page at rmhccnaz.org/stripes/raise.
